Cloverbuds is created specifically for 6, 7 & 8 year old children, not competing with the rest of the 4-H members, but to explore the various projects that 4-H and agriculture offer. Each year a Cloverbuds will do one unit, each unit explores seven different projects that 4-H members can choose once they are 9 years old, Cloverbuds achievement is based on participation and completion of their Cloverbuds Scrapbooks. Cloverbuds earn achievement Certificates and Badges, just as 4-H member in other projects do. Watch for Cloverbuds displays at the Salmon Arm Fair.

The 4-H members and the 4-H Leaders working with them are proud to display what they've learned.

Buckerfields Ltd. generously sponsored these Cloverbuds classes.
